Subject: next drafts of talking points and two pager on ag collaboration/funding
Puget Sound-Whats Upstream website issue paper DRAFT.docx
R10 Ag collaborations Draft 4 12 16.docx

Bill, Dan and Lucy,

See next draft of talking points along with a two pager (very rough draft in development) on our ag funding/collaborations. As you know Bill the talking points were for Gina in a couple of weeks but Dan asked me to have something ASAP for Joel Beauvais as he has congressional testimony tomorrow related to Flint but questions may come up on this (7am our time).

Caveat – I have not been able to review this with Lisa Chang, Garth Wright or Lucy.

I will cc you on the email to Joel with the documents. If you are able to look at them before hand and have any suggestions/issues please let Joel B. know directly.

Thank you,

Peter
